

Jesse Campbell

☎ +1 3217329362 ✉ jrcamp@bu.edu 🌐 jesse-campbell.github.io

Research Interests. Learning theory, differential privacy, graph algorithms

Education

- 2026+ **Boston University**, Ph.D. in Computer Science
○ advised by Adam Smith
- 2025-2026 **Univeristy of Illinois at Chicago**, M.S. in Mathematical Computer Science
- 2021-2025 **Duke University & Duke Kunshan University**, B.S. in Mathematics

Research

- May 2026 **Contradiction Graphs Determine VC Dimension**, *arXiv Preprint*, Jesse Campbell, Daniel Ibaibarriaga, Lev Reyzin
- May 2025 **Chromatic Symmetric Functions (Undergraduate Thesis)**, *Duke Kunshan University 2025 Signature Work Conference and Exhibition*, Jesse Campbell
- Dec. 2024 **Differentially Private Countering Queries on Approximate Shortest Paths**, *Combinatorial Optimization and Applications, 17th International Conference*, Jesse Campbell, Chunjiang Zhu

Workshops, Conferences, and Seminars

- Jun. 2026 **Extremal Combinatorics in Illinois V**, *University of Illinois Urbana-Champaign*
- May 2026 **11th Lake Michigan Workshop on Combinatorics and Graph Theory**, *University of Notre Dame*
- Dec. 2025 **Chicago Junior Theorists Workshop**, *TTIC*
- Oct. 2025 **The 46th Midwest Probability Colloquium**, *Northwestern University*
- 2025-2026 **Analysis and Additive Combinatorics Seminar in Chicago**, *NITMB*
- 2025-2026 **Graduate Computer Science Theory Seminar**, *University of Illinois at Chicago*
- Dec. 2024 **Combinatorial Optimization and Applications, 17th International Conference**, *Beijing University of Posts and Telecommunications*

Teaching

- Summer 2026 **Computer Algorithms I**, *University of Illinois at Chicago*, Grader
- Summer 2026 **Introduction to Symbolic Computation**, *University of Illinois at Chicago*, Grader
- Spring 2026 **Calculus II**, *University of Illinois at Chicago*, Graduate TA
- Fall 2025 **Finite Math for Business**, *University of Illinois at Chicago*, Graduate TA
- Spring 2025 **Discrete Math for Computer Science**, *Duke Kunshan University*, Undergrad TA
- Spring 2025 **Probability and Statistics**, *Duke Kunshan University*, Undergrad TA
- Spring 2024 **Discrete Math for Computer Science**, *Duke Kunshan University*, Undergrad TA

Updated June 2026.
